TESTIMONIALS

TESTIMONIALS

My teenage son has always struggled with maths and achieved D's as his highest grade. After being assessed with an Ed Psych we realized he has a learning disorder specific to maths. After coming to Kool Kids Tutoring he has now got his first C in maths. A huge improvement and best of all he loves going to tuition with Teressa and her team. Thanks so much

LEE WILLIAMS

TESTIMONIALS

KKT tutors, are genuinely interested in their students understanding and progress, that they make learning fun for those students who haven't experienced that previously.

They go over and above to support the students and that the kids form positive relationships with their tutors. They also work closely with your child's classroom teachers to be sure that what they learn at tutoring is 100% relevant to what they are learning at school. Oh! By the way, you are all amazing! My son did so well coming to KKT and enjoyed his time with you all.
