# EARLY INTERVENTION SUPPORTS FOR EARLY CHILDHOOD

Empowered Therapy & Training assists families and carers in understanding the role of the NDIS and to guide them to other appropriate supports. We also offer independent advice on providers of support most suited to their needs. We are able to do this as a registered support coordination provider.

The Early Childhood Early Intervention approach used by our team supports families to help children between the ages of 0-6 to develop the skills they need to take part in daily activities and achieve the best possible outcomes throughout their life.

Empowered Therapy and Training's Early Childhood Early Intervention supports are designed to help lay the foundation for your child's future and achieve the outcomes you're seeking for them. We pride ourselves on taking the time to get to know you and your child along with any other relevant parties. We also make sure that we listen to your main concerns and the reasons you are seeking support, then assist you to plan the next steps.

We are a team of highly skilled early intervention practitioners and therapists with a background in allied health, early education, and family support. We are committed to working with you, to make a positive difference in your child's life and your child to ensure your child meets their goals.

# WHAT IS PLAN MANAGEMENT?

## 1. Why use a plan manager?

A plan manager can help you:

- Increase your financial and plan management skills
- Learn how to self-manage your plan
- Pay providers
- Increase your choice of providers
- Get NDIS plan budget reports and greater budget oversight.

## 2. How much does it cost?

If Plan Management is included in your NDIS plan, there is no cost to you. Just make sure you specifically ask for Plan Management at your planning meeting.

## 3. How can I have plan management?

At your planning meeting, you can tell NDIS staff that you would like a plan manager to support you.

The NDIS will include funding in your plan to pay for your plan manager. This is separate from your other services and supports in your budget.
